Lakeside Park Association Newsletter

Summer 2023 Edition

Hello LPA Members!

KEEPING A CLOSE EYE ON WATER QUALITY:

As previously mentioned in the last Newsletter, we keep a close eye on our source water quality. During the summer of 2022 the Tahoe Keys POA began a project trial consisting of UV-C light, underwater aerators, and EPA-approved herbicides in test areas to reduce problematic aquatic weeds to controllable levels. To ensure that our drinking water supply was not impacted by the use of these herbicides we continuously tested for herbicide presence. The turbidity curtains that were installed at the channels to contain the herbicides in their respective test sites were removed in mid-September. We are happy to report that there were no detections and that your drinking water continues to be some of the finest drinking water in the world!

DID YOU KNOW?

Katherine Smith Hill died in 1939 and is buried with A. M. Hill in the Al Tahoe historical pioneer cemetery. The family is memorialized today in the name of Hill Road, off Azure Avenue a block west of Stateline Avenue. Arthur Marion Hill helped run the Lakeside Park resort with his uncle and aunt, E. B. and Katherine Smith. After E. B. Smith died in 1904, his widow, Katherine, married his nephew, A. M. Hill, consolidating all the Lakeside land holdings on the South Shore. After A. M. Hill's death in 1913, Katherine Smith Hill was the sole owner of the land on both sides of the state line.

More information about Katherine and Arthur as well as other historical information can be found in the LPA History Trail markers throughout the Lakeside Park neighborhood.

THE ARCH AT LAKESIDE BEACH

After the snow finally stopped, we were able to clean up the Event Area at the North end of Lakeside Beach in preparation for the summer season. The staff of The Arch has installed a new Arch and has already had quite a few events this season. As mentioned in the Spring Edition Newsletter, the area will now be known as *THE ARCH AT LAKESIDE BEACH*. Please be sure to check out their website at www.thearchtahoe.com. Discounts available for Members, contact the LPA office for more information.

UMBRELLA, CHAIR & LOUNGE RENTALS

In 2023 Lakeside Beach Seasonal Employees will oversee the rentals of beach umbrellas, chairs and chaise lounges at Lakeside Beach. In addition to the new umbrellas and furniture for rent, all the old benches and picnic tables will be replaced with new weather resistant furniture made from 100% recycled materials.

ELECTION RESULTS

The votes are in! Thank you to all our members who attended this year's meeting and/or voted. We are pleased to announce Andy Engelhardt and Rick Lehr have been re-elected for 3-year terms.

MEMBERSHIP APPLICATIONS

Once again, we would like to remind any members that have not turned in a completed, notarized membership application to please do so. As stated previously, without this form being submitted, a property is no longer a Full Member and loses the right to vote in the association elections, beach passes and marina boat slip discounts.

That's it for now. As always, we thank you for your support and if you have questions or need anything please contact Judi Goddard or Warren Rowe in our office at (530) 542-2314.
