Lakeside Park Association Newsletter

Summer 2024 Edition

Hello LPA Members!

LAKESIDE PARK ASSOCIATION AWARDED BEST TASTING WATER IN CALIFORNIA!

Words cannot express how excited we are to share with you that we are the proud recipients of the 2024 Best Tasting Water in California award! Every year in April the California Rural Water Association's Water Expo is held at Harvey's where a formal taste testing panel compares water samples submitted from all over California. It turns out that the panelists all agreed that our water was the very best! This journey continues as we look forward to our invitation to enter the National Great American Water Taste Test in Washington DC February 2025! Way to go Lakeside Park Mutual Water Company team!

MEMBERSHIP APPLICATIONS

Once again, we would like to remind any members that have not turned in a completed, notarized membership application to please do so. As stated previously, without this form being submitted, a property is no longer a Full Member and loses the right to vote in the association elections, beach passes and marina boat slip discounts.

That's it for now. As always, we thank you for your support and if you have questions or need anything please contact Judi Goddard or Caprice Witt in our office at (530) 542-2314.
